House Transportation Committee Meeting

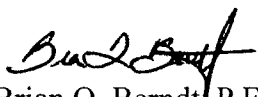

RE: FUNDING

We do not have the required 20% Local Match for Federal Aid Funds. Last year we borrowed \$600,000 to use as matching funds. We have asked for loans in the past but are no longer in a position to borrow because we will not have the funds to repay these loans.

Attached is our current list of projects that need matching funds.

Very truly yours,

BERRIEN COUNTY ROAD COMMISSION
